Integrated fridge-freezer with BioFresh and NoFrost

Bio Fresh Plus | No Frost | Ice Maker | Duo Cooling | Infinity Spring | Infinity Swipe | Infinity Light | Super Cool | Super Frost | Soft System | Soft Telescopic Rails

Type	**Fixed door / Built-in appliance for integrated use**
Energy consumption (kWh/yr) / Star rating	**353 / 4.5**
Total volume	**511 l** [1]
Volume	BioFresh compartment: **86.8 l** / Freezer compartment: **184 l**
Climate rating	**SN-T (+10 °C to +43 °C)**
Frequency / voltage	**50/60 Hz / 220-240 V~**
Connection Rating	**3.0 A 248.5 W**
Aperture dimensions in cm (h / w / d)	**213.4 / 91.4 / min. 63.5**
Controls	
Type of Control	3.5" LCD colour display, behind the door, touch- & swipe Digital temperature display for fridge, BioFresh and freezer compartments
Door alarm	acoustic
Alarm in case of malfunction	visual and acoustic
Fridge compartment	
Forced air system	PowerCooling with FreshAir activated charcoal filter
Door interior	GlassLine storage shelves with bottle holder
Bottle shelf	Integrated bottle shelf
Interior light	InfinityLight LED BioFresh lighting
BioFresh-Safes	1 BioFresh Safe with SoftTelescopic
Water Dispenser	InfinitySpring, flush mounted internal water dispenser
Freezer compartment	
Interior light	LED lighting
Number of drawers	2 drawers with SoftTelescopic
IceMaker	with fixed 3/4" water connection, LED lighting
Ice cube capacity in 24 hours	1.4 kg
Ice cube stock	3.0 kg
Freezing capacity in 24 hours	12 kg
Temperature rise time	21 h
Features	
Door hinges	Door hinge left fixed/right fixed
Replaceable door seal	yes
EAN-Nr.	9005382276556

[1] In accordance with Regulation EU 2019/2016 we indicate the total volume to the nearest integer (rounded off) and the volume of the frozen compartments and refrigeration compartments to one place after the decimal point.

LIEBHERR

Features

BioFresh-Plus

The BioFresh Plus Safe guarantees you a perfect storage climate and extra-long freshness of fruit and vegetables, meat and dairy products as well as fish and seafood – all in just one compartment. Depending on the food, the Meat & Dairy safe can be divided into various temperature zones from just over 0 °C (32 °F) to an icy -2 °C (28 °F).

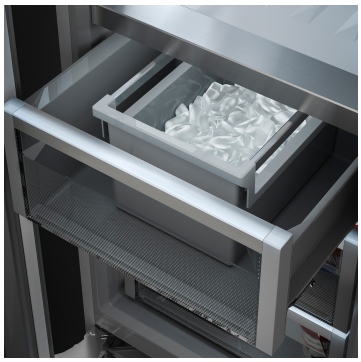

InfinityLight

Monolith's seamlessly integrated LED side-wall lighting casts a beautiful and even glow that can be adjusted according to taste, including a soft brightening effect upon opening the doors, and a pleasing night dimming feature. InfinityLight doesn't just add drama and flair, it also emits less heat, preserving food quality.

NoFrost

The Monolith also impresses with maximum comfort at sub-zero temperatures. Its NoFrost technology always keeps the freezer compartment free of ice and prevents food from becoming covered in frost. It makes defrosting a thing of the past.

IceMaker

Monolith's automatic IceMaker produces 1.6 kg (3.5 pounds) of filtered ice in 24 hours. Activate the SuperFrost function for an even greater production capability. With a 1.8 kg (4-pound) storage capacity, you'll never be without.

DuoCooling

DuoCooling technology uses two completely separate refrigeration circuits to prevent air from being exchanged between the fridge and freezer compartments. This protects food in the refrigerator compartment from dry air from the freezer compartment. Also, odours do not mingle and the foods retain their own aroma. There is no air exchange between the fridge and freezer compartments, odour transfer is prevented and stored food does not dry out.

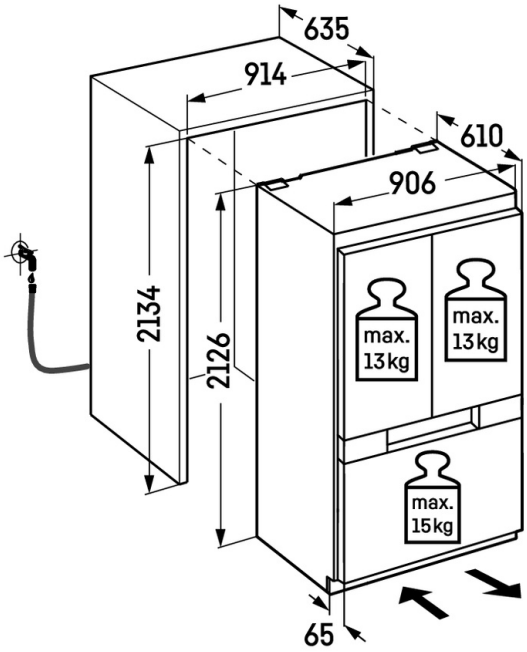

InfinitySpring

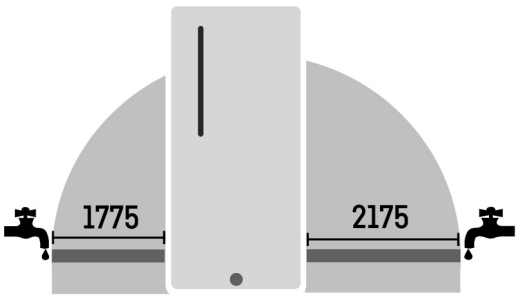

The seamlessly integrated, flush-mounted InfinitySpring internal water dispenser is there when you need it, and virtually invisible when you don't, and can accommodate pitchers of any size. Liebherr's filtration system eliminates harmful contaminates, resulting in crisp, clear, fresh tasting water.
